Sue Ford : NZ CAT FANCY INC

I was brought up on a farm north of Feilding, North Island, New Zealand and cats were always part of my family's life. They were in my case, substitutes for dolls. I had a favourite steel blue moggie with the unoriginal name of Bluey. That cat's temperament was fantastic, allowing me to dress him and wheel him about in my dolls' pram. My pony wouldn't fit; so all the cats endured my fussing.

I even trained Bluey to stop purring when my mother checked nightly to ensure he wasn't in bed with me! He was also the first cat that I showed at the Palmerston North show. I guess I was about 5 years old and when I think back, what a ghastly experience it must have been for that poor cat .

He was terrified beyond belief and consequently escaped, I was heart broken, but after a radio appeal a woman phoned my mother saying she had a wild beast of a grey cat in her garage, but it couldn't possibly be a child's pet. She was astounded when I called "the wild beast's "name and he leaped into my arms and continued to purr for the entire homeward journey. No more cat show for my precious Bluey!

It was almost 40 years before I showed a cat again, this time a chocolate Burmese from the Kerheim Cattery of the Bauckes' and that wasn't a good experience either, but we did come home with many ribbons and I was hooked. However, it was with Siamese that I first delved into the pedigree world. I had two half-bred Siamese given to me by a relative who bred Siamese. They were amazing animals white/cream with points and large dark brown/black patches. Their deaths at the age of 14 and 15 left a huge gap in our lives and as they were the old apple- headed Siamese; it was not surprising I fell in love with Burmese.

I first joined Mid Island Shorthair cat club at the instigation of Jill Dugan. Later I joined Burmese and more recently Patches and Points. I have held positions of representative, secretary and delegate. I have experimented with the silver gene and "different coloured Burmese, especially the caramels. We imported our first Stud Burmese from Brisbane, Aurora Kiowa Chief in 2000 and he has helped the Tobormory Cattery in the never-ending quest for the perfect cat. I have enjoyed showing and if my cat /kitten won I felt privileged, if it didn't, what the hang, its been a great day out.

I live with my husband, Rob, on a small life style block about 20 mins drive south west of Hamilton and the cats live in a custom built cattery with all mod cons and enough garden and space to rule our lives. We just pay the mortgage and occasionally see our two sons.

Judging for me is a really exciting experience with always something to learn. It is a serious job and I hope I maintain a professional attitude. However, at the end of the day regardless of results, I firmly believe that every exhibitor goes home with the best cat in the world. Long may it remain so!

Marg Sim (CATS NSW): I have always had cats, firstly moggies then my father bred Seal Point Siamese. I met a pair of Burmese in the early 1970's and fell in total love with them, especially the Blue Burmese. When I settled down in Sydney I went in search of a Blue Burmese and ended up with a Lilac and Chocolate – they converted my partner Don to cats and in particular Burmese. He in turn converted me to Labrador Retrievers. We moved out of the city to Moss Vale – we had space and time so I commenced breeding and showing in 1987 under the prefix Bima. I breed all colours of Burmese and love them all – my favourites are blue, red and blue tortie.

This led to stewarding which gave me a love of many other breeds and in 1994 I

commenced a judging course. I completed Group 2 in 1996, Group 3 in 1998 and in 2009 completed Group 1. I have judged in most states of Australia as well as in New Zealand. I have been involved in clubs – club secretary, committee member and am currently President of the Burmese Cat Society of Australasia. I have experience as show manager as well as working in card rooms and trophies, also lots of experience setting up and pulling down shows. In my other life I am a registered nurse and midwife and currently work in a neonatal nursery. I have experience in management, aged care, education, women's health, aboriginal health, community health and paediatrics. My other interests are gardening, patchwork and quilting.

.....
Peta Sperduty: CATS NSW: I have always loved cats and for as long as I can remember have had a cat or two – including a beautiful Burmese cross domestic, as pets.

My introduction to the pedigree cat world was through a good friend who had a Siamese cat she used to show, so for fun, I tagged along.

From there my love affair with Siamese and Orientals began. Soon after I got my first show spay, a beautiful Seal Tabby Point.

I decided that I wanted to do more in Cat Fancy so in 2008 registered and successfully completed the Stewards Training Course. I also registered my prefix Mingyang and in October 2008 I had my first litter of Siamese / Orientals.

Whilst stewarding I handled various breeds but fell in love with the 'Clowns of the Cat World' – the Devon Rex and in conjunction with a good friend and workmate, bred a few litters of these darling, funny cats. I am currently owned by 3 Norwegian forest cats and a Siamese.

In 2012 I started my journey to becoming an all breeds Judge. I had a goal of becoming an all-breeds judge and after some delays by Covid I finally achieved my goal. I have had the pleasure of judging all around Australia and in New Zealand as well.

Outside of the Cat Fancy I am a qualified Vet Nurse working on the beautiful mid-North Coast of New South Wales. In my spare time I enjoy spending time with friends and family, photography and collecting anything to do with frogs and cats.

Liz Andresen : GCCFSA: I first began showing Siamese in Adelaide, South Australia in 1978. I moved to Alice Springs in 1979 and spent 38 years there, before moving back to Adelaide in 2018. Whilst in the Territory I started my Group 2 judges training once I had passed; I went onto do Group 3 and finally Group 1 making me an All Breeds Judge. Living in the middle of Australia had its challenges with training so after 16 years I finally finished my training and was elevated to the ACF panel of judges in 1991 for Group 2 then 2000 as All Breeds.

I was Prefix recorder for the Cat Association of the Northern Territory for quite a while and became one of the Tutor Panel and am a life member. I have judged internationally in Malaysia in 2001, New Zealand in 2004 2005 2017 & 2018, and China in 2016 & 2017, both Hubby & I did a small non-pedigree assignment for the Durham County Cat Club England in May 2004. I have judged in all States and Territory in Australia many times.

Over the years I have bred British Shorthair, Devon Rex, Abyssinians and currently with my husband Scoot, Siamese Oriental & Burmese. Our move to Adelaide in August 2017 came after owning our own business for just over 20 years and I retired. We became members of the Governing Council of the Cat Fancy South Australia. I currently hold the office of Secretary since January 2023 after doing two years as assistant secretary, and Tutor Coordinator. I enjoy breeding my cats which I have done for 35 years & also love my judging, catching up with friends which I have made over the years and making new ones along the way.
