THE CCCA

The CCCA is a national body that was established in the late 1970s to address the need for unification among several of the largest cat control bodies in Australia. The CCCA Inc. now has member bodies in most states that support the national uniformity of policies for the conduct of shows, training and appointment of judges, registration of cats, definition of classes, and the awarding of championships. This standardisation allows exhibitors and breeders to show cats within all states & territories in Australia.

HANRIE BEKKER (CAT CV)

Me and my husband, PC got involved in the Cat Fancy in 1998, showing our first cat a Persian. We loved to show because we are great cat lovers and it was a hobby we could enjoy together. We got hooked and 1 cat led to another and another and Fancy Face Cattery got its humble beginnings. We were showing and Breeding with Persians, Exotics and Devon Rexes. We were interested in judging but started stewarding to show we were serious in taking the next step. We started the whole process becoming ALL BREEDS JUDGES in 2004, completing our General Course. We were proud in achieving our ALL BREEDS status by 2010. We started our own family in 2012, being Blessed with twins (Truhandie & Pieter-Jurie). We decided to stop breeding then to focus on our family. We didn't want to leave the show scene and kept judging and got involved in Cat Clubs and Governing Body of CFSA.

ROY GRIFFITHS (NZCF)

I live with my cats in the quiet suburb of Cashmere in the hills of Christchurch New Zealand. I have been involved with animals all my life bred and exhibited Weimaraner's (German hunting dog) in the gun dog ring to a level of national champion.

Initially a Devon Rex stole my heart at a cat show unfortunately at that time the mopathy problem was being controlled so I settled on Oriental and Siamese. I enjoyed these breeds and although never exhibiting them I owned one of each to a very elderly age of 16 years. I managed to acquire my first Devon in 2001 and have read and exhibited Devon Rex since.

Initially focusing on an outcross program to expand gene diversity and bring the cinnamon colour into the Devon Rex gene pool.

Now with bloodlines that stretch the globe and a healthy association with some of the breeders here in New Zealand we strive to address some of the health problems associated with the breed, striving for health First and breed standard Devon Rex and providing them with exceptional homes, my extended family and my Passion are my cats.

A qualified Steward, handler and senior all breeds cat judge and still exhibiting Devon Rexes. Have held Office on the executive committee as the portfolio manager of the breed standards advisory of the New Zealand Cat fancy.

Currently the breed representative for the Rex breeds and recently helped in the updating of the Cornish Rex and Devon Rex along with the introduction of the Devon Rex long hair as a new registered breed.

I am passionate about and really enjoy meeting fellow Breeders and judges at shows and seminars, a great networking opportunity to learn and share.

Looking forward to enjoying many more hours with the cats and their servants

CHRIS MERRITT (CQI)

I began breeding pedigreed cats in Townsville, North Queensland in 1975 under the Kavadh prefix. At that stage, I bred Persians in several colours and patterns but particularly specialised in "colour-bred" cream, blue and bluecream Persians with considerable success. A few years later, with my husband Terry, I began to breed British S/H under the Carinya prefix and was very

successful on the show bench. From there, we embarked on a program to breed Exotic S/H's experimentally. We continued to breed British and Exotics until we moved to Toowoomba in 1994 when I was planning to retire from breeding cats. This is where the love affair with Burmese began. Over time, we expanded into Mandalay as well under the Jovelles prefix, and achieved considerable success. We wound up our program a couple of years ago and now just continue to breed British under the Carinya prefix.

JUDGING:

I became a Group 1 Judge in 1986 and an All-Breeds judge in 1992. I have judged throughout Australia and New Zealand on many occasions. As well as judging in South Africa, I have also been fortunate to have many opportunities to judge as a CFA Guest Judge throughout Asia over the last few years. I am also on the All Breeds Guest Judges Panel of ACFA USA.

I am an All-Breeds Tutor Judge with Cats Queensland Inc. and am on the CCC of A Tutor Judge's panel. I am currently the CCC of A President working with a great team of people. I am also on the Management Committee of CQI Inc. For the past few years, I have held the position of Vice President of the Exotic Cat Club of Queensland Inc. and I am also member of the Curly Coats Cat Club of Queensland Inc.

More personally, I am married and have 3 grown children. Two are married and there are currently 11 grandchildren and 4 great grand-grand children with another on the way. I am a retired primary school teacher and beside my family and cats, I love going to the movies, reading, cooking and gardening. With Terry, we also operate a small boarding cattery on our 6 acre property in beautiful Toowoomba.

DOREANN NASIN (CFA)

I went to my first cat show at the tender age of 9 years old in 1983 I was hooked from the start. I watched attentively as the judges would pull out the cats, handle them and describe each breed. I said to myself “that would be so cool to be a judge!”, I told my mother that I wanted to be a judge and worked hard in the

beginning but as life has its twist and turns I was unable to apply or work on things towards the judging program right away.

My mom has always been the best support for me. She was just the guardian signer, chauffeur and financial supporter that’s it, I made the breeding decisions, grooming, picking shows, learning vet cat care, etc.

I started off in HHPs in the beginning and but got my first CFA registered persian in 1986 and start having litters in 1988 breeding whites, brown tabbies, creams and then later silvers. Yet through the early years of teenage life, college and work I had to stop from time to time but once I brought my first home 1995 I got back on track and focus on my requirements. In 2000 I was introduce to the world of Turkish Angoras and the joke was “TAs are like a bag of potato chips, you just can’t have one”. Boy were they right!! They are so rewarding and funny little characters!

I feel a CFA judge is the highest achievement in the cat fancy and a person who encourages growth in the cat fancy by encouraging, help teach and give advice to new exhibitors/breeders about the breeds they are working on. They should also entertain the spectators at the shows and gives those extra special touches towards encouraging young exhibitors to show, since they are the future of the fancy and to continue to maintain our organization.

As the newest kid on the block I will set myself to these goals in mind and will continue to put my time, energy and heart into the judging program to achieve my goals as an allbreed CFA judge.

SHARON HODGE (NSWCFA)

I have been involved in the Cat fancy since approximately 1986 during that time my husband and I have bred and shown Persians and exotics, solids, colour points and bi-colours. During

this period of time we were regular exhibitors at shows except for a period of time where I took a brief hiatus to study law. We both feel blessed that we were able to enjoy some success on the show bench with our breeding with my husband and children. I have donated time working at and supporting Cat shows in a variety ways not only have I had the joy of sharing my life and home with Persians and exotics become and enjoy the pleasure of the company of a Siberian and a bengal. I have held a number of positions in Cat clubs over the years and I presently hold the position of president of the long-haired Cat Association of New South Wales I attained my Group one license in 2008 and in March 2015. I was granted Group one tutor judge status in March 2017. I attend detained the status of an all breed judge.

KIT FUNG (CFA)

Kit Fung, who comes from Hong Kong and works for HK Police Force. CFA all breed judge with 19 years experience on breeding American Shorthair, owned 6 of National Winners and over 20 ID Divisional Winners. He also owned the only one Longhair Manx in Asia. He used to handle some other breeds included Persian, Exotic, Maine Coon, Ragdoll, British Shorthair, Oriental Longhair. Besides a cat lover, he also loves musical, photography and travel.

MAUREEN CAMARSH

I joined the Cat fancy with my husband in 1976 with the purchase of a red point Siamese kitten after breeding and successfully showing red and tabby points. For some time we moved into all other colours and patterns of Siamese still with the emphasis on red, cream Tortie and Tabby points with the purchase of a chocolate Oriental from Western Australia. We bred and showed with great success him and his progeny, gaining many best in show awards and Cats of the year. Our next breed but still within the Siamese family we obtained showed and bred foreign whites with some measure of acceptance and success I currently breed foreign white and Siamese, mainly Tabby points with the addition of the long-haired foreign whites. I have owned many best in Show cat of the year in this group. I have also bred and shown successfully Abyssinian, Devon and Cornish Rexes and Burmese. These also

featuring in many of the cat of the year awards along with the foreign White and Siamese. At present I still breed Cornish Rexes under the prefix of Fretomau which I've held for over 40 years. I am a life member and secretary/Treasurer of the federal Cat club of Australasia as well as President of Kempsey cat club, Bluepoint Siamese and Jacaranda cat club and I'm actively involved in promoting the showing and breeding of pedigree cats in the country areas of New South Wales. I am an international Albreeds judge having completed my shorthair license in 1988 and long-haired license in 1998. I have judged extensively throughout Australia and New Zealand, I am an all breeds tutor judge having organised and aided with judges training courses for a number of years. I was privileged to be granted life membership of the New South Wales CFA. Before retiring I was a medical scientific officer working at such an biochemistry department of a large private pathology Practice .

There is to be no further judging on the day and a readable sign should be displayed on the cage and the owner notified. Any cat declared UTH is suspended from the show bench for 3 months. If the cat is declared UTH again it will be permanently disqualified for life. This is a minimum standard which individual member bodies may exceed.

UTJ Any cat that is unable to be safely taken from the cage to the table and handled sufficiently to be judged is to be declared **UNABLE TO BE JUDGED (UTJ)** by the judge and no award is to be made. This is effective in that ring only, with no cumulative effect towards disqualification.

37. Officiating judges may enter exhibits in competition providing they are only entered in sections which they are NOT officiating. Such judges are categorically excluded from conferring with judges of cats in sections in which they are exhibiting and from sitting on any panel, including Supreme Exhibit, in the event that the exhibit owned by them should be presented to such panels.
38. A judge shall not judge an exhibit which he/she directly or indirectly, alone or jointly with another, own or lease or which they have transferred to a new owner, judge that exhibit within 3 months of that transfer. An exhibit will be deemed to be subject of this regulation if it is an exhibit in which the Judge or Judge's spouse or partner or children or parents and siblings have or have had a direct or indirect proprietary interest.
39. Where possible stewards will not assist Judges in classes in which they have entered exhibits.
40. Each judge will submit his Best and Reserve Special Awards to the Show Management for submission to the panel judging Supreme and Reserve Supreme Exhibits. Panel judging may be used at the discretion of the Show Committee for any category.
41. Any complaint regarding the management of the Show must be submitted in writing, together with a \$20.00 fee, to the CCCA Secretary within (7) days of the conclusion of the show. The fee will be refunded should the protest be upheld.
