2026 JUDGES PROFILES

Lena Venclíková
FIFe - Czechia

I am in cat fancy for more than 30 years, first as a breeder of Burmese and Burmilla cats and later as a judge, Board member and chairman of Breeding and registration commission

of Czech FIFe Member.

I really enjoy the beauty of all cats - they are my biggest passion and hobby. I own six Burmilla's, oldest of them is 16 y.o. and a neutered Selkirk Rex. Due to my judging activities, I am not as focused on cat breeding as I used to be, but my cattery Dee, CZ still has one or two litters per year. It makes me so happy and proud to know, that some of my cat 's offsprings reached the highest titles in FIFe, including title of World Winner, DVM and DSM. Other than the cats, our home is also shared by my mum and 2 adult kids. They support my hobby and take good care of cats whenever I 'm out, which I am very grateful for.

Åsa Broing
TICA - Sweden

Allbreeds Judge
Bio pending

Chloe Chung
CFA - China

My love and devotion for animals started years ago with my interest in showing dogs began with Faye Mui – my first Pembroke Welsh Corgi in 1993. In the pursuit of this passion, I

became an allbreed groomer, began exhibiting and breeding British Shorthair in 2002. I achieved a National Win with my own breeding British Shorthair in 2007 who was 8th Best Cat, Best of breed nationally and best Cat in Asia Division. I have also exhibited American Shorthair, American Curl, Colorpoint Shorthair, Exotic Shorthair, Maine Coon, Persian, Russian Blue and Sphynx.

I started judging in 2011 and was fortunate been judged in China, France, Hong Kong, Taiwan, Japan, Malaysia, Singapore, Indonesia, Thailand, New Zealand, Australia, Russia, Germany and United State.

Rick Hoskinson
CFA – Ohio, USA

Rick Hoskinson began his cat fancy career in 1982 when he showed his first cat in CFA. He registered his Richson Cattery in June of 1985 and successfully bred Cornish Rex,

Russian Blues, and American Shorthairs. He still maintains a very small American Shorthair breeding program.

He entered the CFA judging program in 2000, received his SH specialty license in 2001, and advanced to Allbreed approved in June 2003, which at that time was the fastest advancement in CFA history. He resigned his CFA license in 2013 and was accepted to the TICA judging panel in 2016 as Provisional Allbreed. He judged TICA for nine years and resigned his TICA license at the level of Ring and School Instructor in June 2024. He was accepted for the CFA judging panel at the CFA annual meeting in June 2024, as approval pending allbreed and advanced to approved Allbreed judge in October 2024. He has judged in over 30 countries, and in all regions of both CFA and TICA. He was the Great Lakes Region TICA judge of the year in 2017,2018 and 2019 and TICA member of the year in 2023. He hosted the TICA annual in 2022 in Chicago, Illinois.

Allan Raymond
CFA - Thailand

I have been a cat lover all my life and in my early teens I always wanted to own a white cat. My dream was fulfilled when my music teacher's cat had a litter of all white kittens of which

one was given to me much to my parent's disapproval. As my teens progressed the family obtained a seal point Siamese and at another stage of my life, I owned 2 Tonkinese. My love affair with the official Cat World commenced in the 1970's in Tasmania when I purchased and successfully showed

a blue Persian kitten in partnership with Michael Woods. This led to the purchase of other Persian colours and a very successful breeding and show career under the prefix "Raywood".

In 1980 a move to Melbourne, Victoria continued our breeding and showing and included an early dabble in exotics. We showed a Black Persian Male who was FCCV Cat of the Year for 3 consecutive years. I also showed Oriental Shorthair successfully. In the early 1980's I commenced my judges training with the Feline Control Council of Victoria obtaining my Group 1 (Longhair) licence in 1985. 1990 I commenced my Group 3 training and continued that training with QFA Inc when we relocated to Surfers Paradise in Queensland. I became an Allbreeds Judge in 1997.

I have had the honour of judging extensively throughout Australia and New Zealand and have also judged many times in Singapore, Malaysia, Thailand, Belgium, France, Italy, Indonesia, Japan, USA, South Korea, South Africa, Hong Kong, England, Mainland China, Kuwait, Egypt and Taiwan.

I am honoured and humbled to have been accepted into the CFA Judges Program at the CFA Board meeting on 1 October 2011 after many years of guest judging for CFA. I was elevated to Approved All Breeds Judge in December 2012, the first Australian CFA USA Allbreeds judge.

I held the position of Vice-President of the QFA Inc for 7 years and an Executive Member of the Australian Cat Federation from 2003 until 2006 and held the position of ACF International Liaison Officer from 2003 until 2006. In the capacity of ILO I was the ACF Inc delegate at the World Cat Congress Conference in Houston Texas in 2004, Christchurch, New Zealand, 2005 and London, 2006.

In 2016 my partner, Michael Woods also an Allbreeds Cat Judge, and I relocated to Thailand which we love and now call home.

**Chris Lowe
NZCF**

Chris extended her 1981 Longhair judging licence to All Breeds in 1989 leading up to that she had bred

Siamese, Oriental Shorthairs and had also continued with her Exotic & Persian breeding.

Chris thoroughly enjoys the judging scene, including virtual judging (which offers a completely new challenge for any judge). She admires the forward thinking of exhibitors working with improvement of their chosen breeds and of course the interaction with exhibitors and cat lovers from all walks of life. Having enjoyed international assignments in most Australian States, The Netherlands, South Africa, United Kingdom, USA, Thailand & China.

Her involvement with NZCF has been predominantly at Executive Council level - Central Region Chairperson, National Vice President, National Secretary (Executive Council Secretary) All Breeds Tutor Judge, World Cat Congress Delegate, International Liaison Officer. On leaving the Executive Council Secretaries position Chris was approached to take on the Provisional Registrars role. Although a challenging role she really enjoys the researching of pedigrees for imported cats and provisional registrations. She has continued her involvement

**Cheryl St Clair-Newman
NZCF**

My involvement with the Cat Fancy started for me after I purchased a Persian kitten. With my increasing interest I was talked into showing him by the

Breeder: Mrs Yvette Hughson with the Prefix "Tihi".

The first show was the 1976 Felix National Show in Canterbury. That was my introduction to being involved in the world of beautiful felines, after spending the day being mesmerised by all the beautiful cats, my name was called, he was awarded Best N/S kitten. I hugged the breeder as she had trained me well. The stadium was full, hundreds of cats and thousands of people.

I have now bred and shown many Persians over the years achieving high awards including NZCF(Inc) Top Entire cat, Top kitten, Top N/S kitten and several other placings in Top N/S cats, also numerous Breeder Awards of Merit.

With the interruption of Covid I took the opportunity to train as a Shorthair judge with a very special, knowable tutor. The Tutor reached out to other registries to assist with the training of her pupils for knowledge and detail of different breeds and get information used on training schools through the Cat Fanciers of America CFA Inc. and Australia. This exercise was very

with the Judges Training Programme assisting other Tutors taking on Judges Schools. Chris was awarded NZCF Life Membership in 2010.
Chris aims to continue to share her knowledge “for the love of cats” with future exhibitors and breeders wherever this passion takes her.

interesting with excellent learning and training skills, even though it was sitting up in the early hours of a morning looking at a screen for hours.
My achievement as an All-Breeds judge is to give a very fair and true assessment of the standard required for each bred. Plus carry out my position in a professional manner. I thoroughly enjoy judging, plus assessing the many breeds seen at shows.
Look forward to judging your beautiful Felines.

Anne Harvey
ACF TFA

Cats have always been part of Anne’s family; however, it was not until 1999 that she discovered the cat fancy. Beginning in the year 2000, Anne began breeding and showing Maine Coons. She was one of the first to introduce the breed to Queensland, and among the first handful of Maine Coon breeders in Australia at that time. Anne concentrated on health, temperament and quality in her breeding program which produced some successful show winners and Cat of the Year winners during that time, but more importantly produced healthy well-balanced kittens who bring joy to their families. Although no longer breeding, Anne enjoys the companionship of her retired Maine Coons.
Anne retired from work in 2015 which enables her to devote more time to the things she enjoys in life and to indulge her passion for travel. Anne recently moved from Hervey Bay in QLD to Evandale in Tasmania.

Peta Sperduty
ACF CatsNSW

I have always loved cats and for as long as I can remember have had a cat or two – including a beautiful Burmese cross domestic, as pets. My introduction to the pedigree cat world was through a good friend who had a Siamese cat she used to show, so for fun, I tagged along. From there my love affair with Siamese and Orientals began. Soon after I got my first show spay, a beautiful Seal Tabby Point.
I decided that I wanted to do more in Cat Fancy so in 2008 registered and successfully completed the Stewards Training Course. I also registered my prefix Mingyang and in October 2008 I had my first litter of Siamese / Orientals. Whilst stewarding I handled various breeds but fell in love with the ‘Clowns of the Cat World’ – the Devon Rex and in conjunction with a good friend and workmate, bred a few litters of these darling, funny cats. I am currently owned by 3 Norwegian forest cats and a Siamese.
In 2012 I started my journey to becoming an all-breeds Judge. I had a goal of becoming an all-breeds judge and after some delays by covid I finally achieved my goal. I have had the pleasure of judging all around Australia and in New Zealand as well.
Outside of the Cat Fancy I am a qualified Vet Nurse working on the beautiful mid-North Coast of New South Wales. In my spare time I enjoy spending time with friends and family, photography and collecting anything to do with frogs and cats.

Janis Christison
ACF QFA

I have always been fascinated with cats and can clearly remember my first cat Josie, a grey tabby, my constant companion when I was a small child. I entered the cat fancy in Canberra in 1976 showing a Persian neuter. My prefix Santique (in partnership with my husband) was granted the same year in Canberra and I bred blue, cream and blue-cream Persians for many years until moving ‘home’ to Queensland in 1989. In 1991 I began an Exotic program from first generation breeding in most colours and patterns but always on a small scale. Many major awards were achieved over the years including Group 1 Cat of Year awards in 1987, 1990 and 1998, each time with a blue Persian! We no longer have entire cats having dedicated the many years since the last litter in 2000 to caring for our retired show and breeding cats which have now all sadly passed on. We now give all our love and care to our young

Liz Andresen
ACF GCCFSA

I first began showing Siamese in Adelaide, South Australia in 1978. I moved to Alice Springs in 1979 and spent 38 years there, before moving back to Adelaide in 2018. Whilst in the Territory I started my Group 2 judges training once I had passed; I went onto do Group 3 and finally Group 1 making me an Allbreeds Judge. Living in the middle of Australia had its challenges with training so after 16 years I finally finished my training and was elevated to the ACF panel of judges in 1991 for Group 2 then 2000 as All Breeds.
I was Prefix recorder for the Cat Association of the Northern Territory for quite a while and became one of the Tutor Panel and am a life member. I have judged internationally in Malaysia in 2001, New Zealand in 2004 2005 2017 & 2018, and China in 2016 & 2017, both Hubby & I did a small non-pedigree assignment for the Durham County Cat Club England in May

neuters, an Exotic and a Russian, which have brought me back to the fun of showing – both have won Desexed Cat of Year.

I am an ACF Inc Allbreeds International Judge and have been judging since 1991. I regularly judge all over Australia and New Zealand and I have also judged in Germany, the Netherlands, Malaysia, Sweden and South Africa. It is always a pleasure and a privilege to handle so many beautiful felines and meet their proud owners.

I am currently President of Queensland Feline Association Inc (QFA), a position I previously held during 2015–2017 following my service as a Vice President from 2005. I have been a Tutor Judge since 1999 and have always been very involved at Club level especially in the position of show manager.

2004. I have judged in all States and Territory in Australia many times.

Over the years I have bred British Shorthair, Devon Rex, Abyssinians and currently with my husband Scoot, Siamese Oriental & Burmese. Our move to Adelaide in August 2017 came after owning our own business for just over 20 years and I retired. We became members of the Governing Council of the Cat Fancy South Australia. I currently hold the office of Tutor Coordinator. I enjoy breeding my cats which I have done for 35 years & also love my judging, catching up with friends which I have made over the years and making new ones along the way.

BEST EXHIBIT IN GROUP & SUPREME EXHIBIT IN SHOW

The Best Kitten, Entire and Desexed cat in each Group will be judged by a panel of judges who have not judged in that group. The panels will assess the first placed kittens, cats and desexed cats to choose an overall Best in Section to compete for Best in Group.

The panel will vote to determine the Best Exhibits in each of the three Groups. From these exhibits the panel will determine the winner of the prestigious **Supreme Exhibit in Show**.

SUPREME COMPANION IN SHOW

A Supreme judging panel will be used to determine which of the six Best in Show Companion exhibit winners will be **Supreme Companion Exhibit**.
